Work Experience

Freelance UI/UX Developer — *Self-employed*   **2020 - PRESENT**
- Develop and design the front end framework for local businesses based on deadlines and clients requests.
- Constructed sites for professional business owners in real estate, fitness, and hospitality industries.
- Quickly translate business needs into well thought out web pages. Make adjustments when needed to meet client expectations on appearance and timelines.

Strength Coach, San Luis Obispo, CA — *Self-employed*   **2018 - PRESENT**
- Contributed in the UI/UX development of the official business website in order to attract new clientele.
- Collaborated with a number of individuals with various athletic and demographic backgrounds.
- Created custom based workout plans conforming to the individual goals for long term progression.
- Established long term relationships with dozens of clients, many of which have been clients for over 3+ years.

***Lead-Bartender,* Custom House, Avila Beach, CA**   **2018 - 2020**
- Acquired a deep understanding of the restaurant's offering and spirits in general to be able and provide recommendations and answer complex questions from customers.
- Prioritized the demands of a fast-paced, customer service centered workplace to include taking on the role of mixologist, inventory control, cash control, and manager.
- Led a team of several bartenders and collaborated with a team of up to 30 employees to meet the needs of over 300 customers in an evening.
